Background and applicability

The SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("**Regulations**") require the top 500 listed companies (by market capitalisation) to disclose a Dividend Distribution Policy in the annual report and on the corporate website.

With the view to strengthen the Corporate Governance practice, the Board of Directors ("**Board**") of Fusion Finance Limited ("**Company**") has adopted this Dividend Distribution Policy and same shall be effective from the date of listing of equity shares of the Company.

Dividend distribution philosophy

The Company is deeply committed to driving superior value creation for all its stakeholders. The Board will assess the Company's financial requirements, including present and future organic and inorganic growth opportunities and other relevant factors (as mentioned elsewhere in this policy) and declare Dividend in any financial year.

This will be arrived at after providing for depreciation in accordance with the provisions of the Companies Act, 2013. If circumstances require, the Board may also declare dividend out of accumulated profits of any previous financial year(s) in accordance with provisions of the Act and Regulations, as applicable.

Interim and Final Dividend

The Board may declare one or more Interim Dividends during the year. Additionally, the Board may recommend Final Dividend for the approval of the shareholders at the Annual General Meeting.
