#Brief description of objects:

Object of the Issue	Description of objects as per the offer document filed by the issuer
Augmenting the capital base	The Company proposes to utilise the Net Proceeds towards augmenting its capital base to meet future capital requirements. Further, as it continues to grow their loan portfolio and asset base, it will require additional capital in order to continue to meet applicable capital adequacy ratios with respect to the business. In the coming quarters, the Company plans to significantly grow its loan advances which would require Tier 1 capital to comply with the applicable capital adequacy regulations. With the primary capital raise planned through the Issue, the management of the Company believes that it would have adequate capital without any further need of fresh capital in the short to medium term. Accordingly, the intend to utilise the Net Proceeds to augment the capital base to meet the future capital requirements, which are expected to arise out of growth of the business and assets, including but not limited to onward lending as part of the business activities, ensuring compliance with applicable regulatory requirements, payment of operating expenditure and funding growth opportunities
